COPA DEL REY DE TENIS TENNIS KING'S CUP

LIVE EVENT

The Tennis King's Cup is the oldest clay tennis tournament in Spain, hosted by the oldest Tennis Club in Spain: the Royal Tennis Club of Huelva.

"The Cup" was a gift from the King Alfonso XII to the club in 1912 and the trophy's base shows a host of internationally renowned winners.

Past participants include: Newcombe, Santana, Gomez, Sanchez, Sampras, Moyá, Costa, Corretja, Henman and Nadal...

Every year the Club invites four top ranked ATP players from the world elite to write their names in the history books of the most royal and traditional Tennis Club in Spain. For the 81st Edition, Rafael Nadal and Guillermo Coria have already been invited.

MAS represents all the media and sponsorship rights on behalf of the tennis club in a long term agreement until 2010. Delivery of this classic and competitive tournament is live by satellite worldwide.
